Yale Hub

Dear first-year student,

[Yale Hub](#) is your one-stop resource for academic and campus information. Every term of enrollment you are required to review, update, and confirm information contained in your student record. You access this information and many other resources through Yale Hub.

What you need to do in the coming weeks in [Yale Hub](#):

- Add and edit emergency contact information
- Add and edit addresses and phone numbers
- Check for and resolve [holds](#) on your student record
- Provide or edit the first name and gender with which you will identify at Yale
- Provide personal pronouns and phonetic pronunciation of your name via [NameCoach](#)

By default, you will appear in the [university-wide directory](#). If you would like to opt out of the directory, you can do so within Yale Hub under the Personal Data menu by selecting Directory Listing.

Enjoy the rest of your summer.

Sincerely,
