Fact Sheets: Add Course form and how Yale College students enroll in SOM courses

Dear Colleagues,

I write to share [two fact sheets](#): one about the new *Add Course* form and the other about the updated process for Yale College students wishing to enroll in School of Management courses. The fact sheets should help answer questions that you or students might have.

The [Cross-School Course Registration](#) page continues to be a resource for any student wishing to enroll in a course outside of their home school.

You may also wish to share with students considering such an action the [Graduate and Professional School Courses historically approved for Yale College credit](#) to help students predict course credit values.

Best wishes for the start of term,

Michael
