Add/Drop Period is Open

Dear Yale College Student,

Add/drop period is open and your registration worksheet is available in Yale Course Search (YCS) for adjustments to your fall schedule. Registration worksheets will remain open until the end of add/drop period at 5:00 p.m. (ET), Friday, September 5.

Reminders

- Classes begin Wednesday, August 27.
- Waitlists were cleared, but you may enroll in a course for which you were waitlisted if a seat becomes available during the add/drop period. There will be no email notifications of vacant seats.
- You are enrolled in a course if there is a black checkmark next to it on your registration worksheet.
- Enrollment in professional school courses requires the submission of a [Request to Enroll in a Yale Professional School Course form](#). If the registration system allows, students should also add the professional school course to their registration worksheets for 0 credit. If the request is approved, the University Registrar's Office will apply the appropriate course credit to your schedule.

Yale College students wishing to enroll in a School of Management course must first submit the [SOM request form](#). After receiving SOM's approval, attach a screenshot of that approval to the [Request to Enroll in a Yale Professional School Course form](#). Notice that enrollment requires the submission of two forms.

- You should only place courses on your registration worksheet with the intent to enroll.
- You must enroll in at least three course credits and no more than five-and-a-half course credits per [academic regulations](#).

Resources

- Additional course enrollment information and instructions can be found on the [University Registrar's Office website](#).
- [Office hours](#) will be held today from 11:00 a.m. - 1:00 p.m., August 25, for add/drop related questions.
