Add/Drop Period Closes Today

Dear Yale College and Graduate School Students,

Add/drop period closes today, Friday, September 5 at 5:00 p.m. (ET). You must have all changes made to your fall term schedule by this time.

Reminders

- Once add/drop closes, the course change forms become available for Graduate students and Yale College students.
- The [Request to Enroll in a Professional School Course](#) form for Yale College students also closes at 5:00 p.m. today. Note, there is a new [Course Add](#) form for Yale College students to add late Yale College, Graduate School, and Professional School courses.
- The [Graduate School Course Schedule Change](#) form will be available for students to request course withdrawals and late additions.
- The [Yale College Course Drop/Course Adjustment](#) form (formerly the Yale College Course Change Notice form) will be available for students to request course withdrawals, as well as section and level changes. The normal \$5 administrative fee will apply to all course withdrawals. See [How to Drop a Course from your Schedule after Add/Drop Closes](#)
- The [Yale College Course Add](#) form will be available for students to add courses to their schedules. The normal \$5 administrative fee will apply to all course additions. See [How to Add a Course to your Schedule after Add/Drop Closes](#). This also includes late professional school course requests.
 - Note that adding a course may result in exceeding the maximum of 5.5 course credits allowable for the term. The form alerts students and stops submission until students drop a course.
- Yale College students need to drop professional school courses, as well as Yale College courses, by the dates posted on the [YC Calendar with Pertinent Deadlines](#) to avoid a W on the transcript (September 18 for first half of the term courses; October 24 for full term courses; November 6

for second half term courses).

Additional course enrollment information, instructions, and FAQs can be found on the [registration page of the University Registrar's Office](#). Review your fall enrollment schedule on [Yale Hub](#) or [Degree Audit](#).

Best wishes for a successful fall term,
